## HOW IS THE LADDER MANAGED?

- The City of Boca Raton Tennis Ladders are managed through *TennisRungs.com* a website and free mobile app that makes running a ladder quick and easy.
- All registered/paid players will be added to compete in the ladder on *TennisRungs.com*.
- Players will then receive an email from the ladder administrator directing them to click on a link to set their initial password for the website. The username is your email address acquired at time of registration.
- The player dashboard allows for players to see the ladder, make challenges, post scores and see how they are progressing.

## LADDER DETAILS:

- Start date: 1/1/24 - 3/17/24.
- Ladder is open to players 18 years of age and older.
- Top 4 players in each level will participate in playoffs.

- Players wishing to play in the 4.5 and 4.0 ladders must get approval from the ladder administrator.

- Points Based Ladder: all players in a match get 1 pt., A player that wins a set will get 1 pt., a player that wins the match will get 2 points, if a match goes 3 sets all players get 1 bonus pt., a player that wins in straight sets will win 1 bonus pt.
